

HOT WORK SAFETY CERTIFICATION TRAINING

CLASS SCHEDULE

Effective **July 1, 2018** the state will require certification as a condition to perform Hot Work in **Massachusetts**. "What exactly is Hot Work?" Simply stated, Hot Work involves any activity that uses flames or produces sparks and/or excessive heat. If you conduct Hot Work in Massachusetts, you need to attend the training and get certified.

Created by NFPA, the Hot Work Safety Certification Program consists of a two-hour seminar and one-hour test. The program defines Hot Work and the measures required to safely perform work.

Two easy ways to register: Registration form or call Hotline, 781-843-3840
