CORRESPONDENCE COURSE REGISTRATION FORM

COMMONWEALTH OF MASS REQUIRED CONTINUING EDUCATION FOR PLUMBERS/GAS FITTERS

SESSION 1, SESSION 2, SESSION 3, SESSION 4 & SESSION 5 CORRESPONDENCE COURSES

These correspondence courses are designed to present you with the information contained in the Massachusetts Plumbing and Gas Fitting Session 1, Session 2, Session 3, Session 4, and Session 5 continuing education programs and, upon successful completion, enable you to earn your required continuing education credits. Session 5 will become available in September 2012.

Continuing education is mandated by the Commonwealth and requires licensed plumbers take 12 hours and gas fitters 6 hours of continuing education every license cycle. The two year license cycle begins on May 1 and ends April 30. Every year the State Board selects the topics to be covered and then the approved providers develop a curriculum around the topics. The end of the current license renewal cycle is April 30, 2014, at which time all licensees should have completed both of the required Session 5 and Session 6 continuing education programs.
